Spelling practice.

Expectations in Year 6: Children write imaginatively using a wide range of vocabulary. Spelling practice brings confidence to write freely and widens a child's understanding of words. With this in mind, preparation for each test children should include:

- Practise spellings each day. Ideas to support creative ways to practice spellings can be found on our class page.
- Using a dictionary, look up each word. Read, understand then write an interesting sentence using the word 'correctly' in your Reading Journals.
