### Spelling practice.

Expectations in Year 6 are: Children write imaginatively using a wide range of vocabulary. Spelling practice brings confidence to write freely and widens a child's understanding of words. With this in mind, preparation for each test children should include:

- Practise spellings each day. Ideas to support creative ways to practice spellings can be found on our class page.
- Using a **dictionary**, look up each word. Read, understand then use the word 'correctly' in a sentence written in your Reading Journals. use the word in an interesting sentence.

Work to be completed in Reading Journals, definitions and sentences will be checked on the test date.
