

2023-2026

Little Eaton Primary School Accessibility

Main Entrance from Alfreton Road

- Ramp to front door
- Access by intercom to office
- 2/3 door
- *Limited internal space outside office.*
- *Could be difficult for a wheelchair user.*

Accessible toilet – main building

- Wide entrance
- *Aids and assistance alarm*
- *Changing table with hoist*

Children's toilets – main building

- Single door entrance
- Toilets in cubicles
- Washbasins at standing height
- Boys and girls similar
- *No aids or alarms*
- *Would probably be unsuitable for a wheelchair user*

Access from main building to playground

- Double doors, 2/3 opener
- Ramped access to playground
- Level access from Alfreton Road to side of main building

ICT suite entrance

- Single door entrance
- Ramped to playground
- *Ramp may be steep for people with limited mobility*
- *The door is narrow for a wheelchair user*

Terrapin classroom entrance

- Potential double door entry
- Ramped to playground
- *Ramp may be steep for people with limited mobility*
- *Gates at archway onto playground*

Pathway to LHS of terrapins

- Steep corner on pathway
- *Path may be steep for people with limited mobility*
- *Can be difficult in icy weather*

After School Club terrapin

- Single door entrance
- 2 steps to pathway
- Steps marked with yellow stripes – good visibility
- *No ramp to front door so access is difficult for people with limited mobility*
- *The rear fire door is ramped but is narrow for wheelchair users*

Steps to top level

- 21 steps to top level
- Hand rails both sides
- *The steps are the only route between the lower and higher levels*
- *The steps are quite steep and can be difficult for people ascending or descending*
- *The steps would be difficult for anyone with limited mobility*

Top level – rear entrance

- Gate to Highfield Road
- Open before school and at the end of the school day
- Locked during the day
- *Gate has combination lock – no access during the day except staff*
- *Highfield Road has incomplete footways and is a private road. Leads to New Street which is steep and could be difficult for people with limited mobility*

Top playground

- Level, smooth tarmac
- Access via steps or sloping pathways
- *The playground slopes away from the building*

Steps from playground to classrooms

- 9 steps to veranda
- Handrails
- Steps marked with yellow stripes – good visibility
- *Steps are steep and treads are narrow – potentially difficult for people with limited visibility or mobility*

Access to RHS of top building

- Sloping pathway
- Access from playground to reception classroom and outdoor play area
- *The pathway is steep enough to be potentially difficult for wheelchair users*

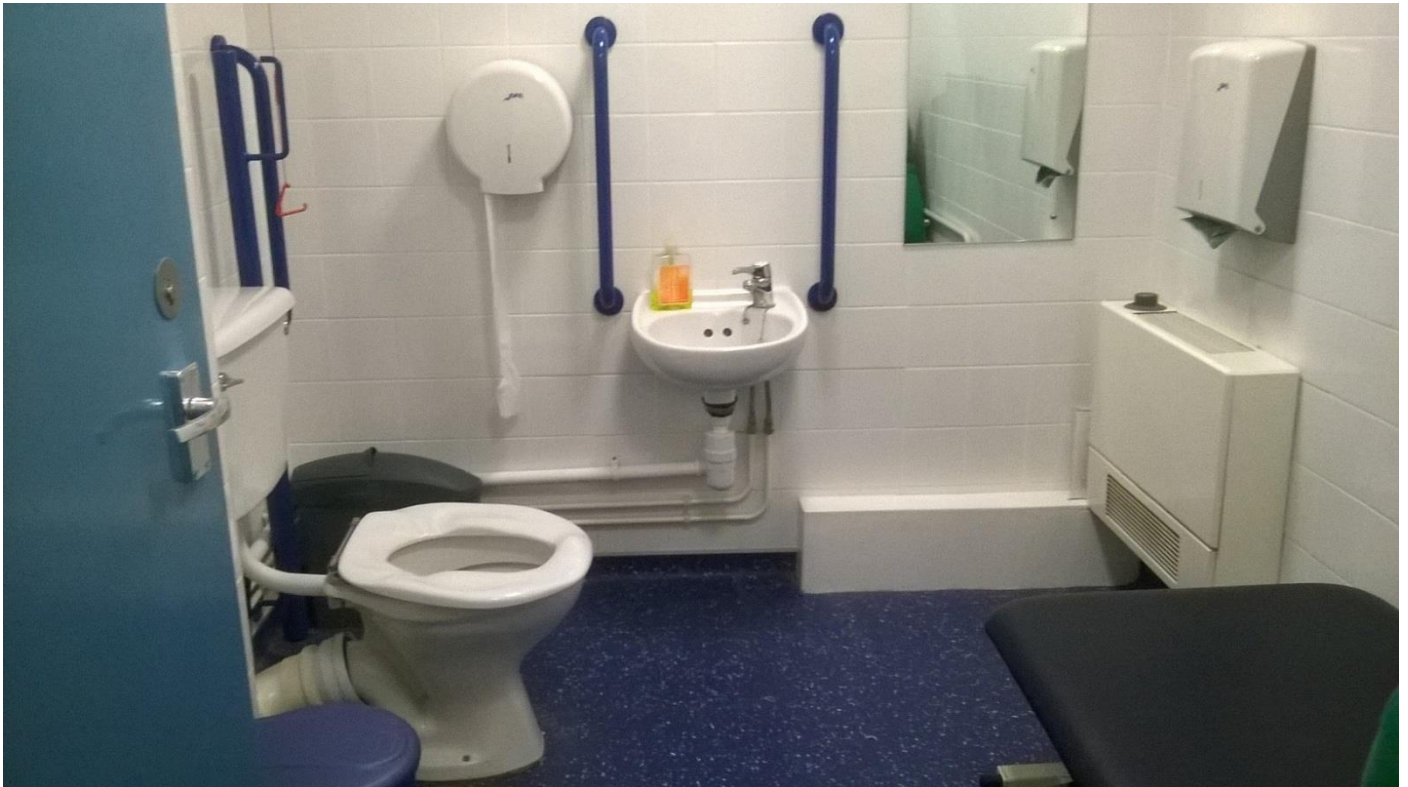

Pathway to rear of reception class

- Woodchip and rustic poles
- Leads to hillside
- *Uneven and steep pathway – no wheelchair access*
- *No handrails*
- *Stepped at higher levels and at start*

Accessible toilet – top building

- Wide door entrance
- Toilet and handbasin with handrails
- *Changing table*
