

IT'S WORLD BOOK DAY!

Choose **at least one** of the screen free activities to complete this afternoon. We would love for you to share examples of these on Seesaw or Class dojo.
Have fun!

Decorate an Egg

This week we have been reading 'After the Fall' all about Humpty Dumpty. See if you can decorate an egg and turn it into a book character!

Comic Strip

Can you turn the story of 'After the Fall' into a comic strip? You might use speech bubbles, thought bubbles or caption boxes.

Egg Drop Challenge

Can you design a contraption to protect a raw egg? Firstly, design your contraption on paper.

Then use a range of materials to create your contraption.

Pop your egg inside and drop it from a high place.

Will your egg stay in one piece or will it break like Humpty Dumpty did when he fell off the wall?

Maybe you could have a challenge with your family!

Extreme Reading

Can you find a fun or unusual place to read? Ask somebody to take a picture of you reading and post to Seesaw or Tapestry. The most unusual reading space will win a prize!

Read to your sibling or a pet!

Cuddle up to your brother, sister or your pet and share a book together.

An Egg-citing Recipe

Can you create a meal or snack using eggs in your ingredient list? You might make a cake, scrambled egg or something else! Write out your recipe and enjoy tasting your delicious creation!

Humpty Dumpty Fashion Show

Humpty Dumpty is hosting a party to celebrate his new outlook on life. Can you design a party outfit for him?
