Update

A few weeks ago, saw the school hall transformed into Little Eaton School Tea Room! The tea and scones went down very well and people enjoyed piano playing by some of the pupils.

We want to say a massive thank you to Helen Barnsley and the church; who kindly let us borrow the cups and saucers. Bluestream Academy who have donated us some new urns and made the amazing hamper and cakes for the raffle.

Thank you to all of those who attended the event and baked- we raised **£593.36!**

As well as the afternoon tea the recent Easter Trail raised **£197**. Each class has been allocated some of these valuable funds to buy items from their own wish list. We will update you once these purchases have been made after half term.

As we fast approach carnival time, we have lots of opportunities where you can help and get involved. As always, the more helpers mean spreading the work load! If you want to be added to the helper's group- please message Paula on 07904 407488.
