Fundraising Group News

Raised so
far....
£2478

Update

Not only do we have the money raised from the events so far this school year, we have been lucky to be one of 4 Little Eaton community groups to be given some carnival funds. This brings our total so far to £2478! Including over £300 from our disco in February

All classrooms, where needed, have new projectors making a massive difference so thank you. A recent purchase from raised funds also includes Little Eaton School T-shirts for children to wear when taking part in inter school competitions.

Helpers

We are always looking for helpers. This can be supporting at discos, helping with refreshments at events or making cakes! If you want to be added to our helpers what's app group- please message Paula Rowlinson on 07904 407488. This group is how we coordinate all helpers for events; ensure we have enough volunteers and that we have all roles covered.
