You can only skip in the hallways. No walking or running.	Every lesson should start with twenty star jumps.	Pens and pencils are no longer allowed. Only paint can be used in the classroom.
Children must say one kind thing to their teacher every day.	Teachers must say one kind thing to each child every day.	Teachers can only teach what the children tell them to.
Children can choose which lessons they will go to and which they won't.	Children must clean their classroom at the end of each day.	Headteachers can eat any child's lunch they like the look of.
Teachers can have as many holidays as they want during term time.	Teachers must give children a doughnut every twenty minutes.	Teachers must go outside at break time to get fresh air and exercise.
Children can never be told off for being naughty.	Children must always listen to their teacher and headteacher.	All playgrounds should have saws, hammers and nails so children can build things.
