

Autumn 2

Possible Themes & Interests
(Based on interests the children have had in past years)

Suggested Texts
Books following possible themes.

Autumn 2
Literacy
texts

Child led interests covered during the half term:

Area of learning	Objectives/skills	Revisit/ongoing throughout the year	Best fit assessment		
			On track	not on track	extra focus assessment needed
<p>Communication and Language</p>	<p>Listening: Listen in familiar and new situations. Engage in stories that are familiar and new with interest and enjoyment.</p> <p>Attention: Maintain attention in new situations e.g., whole school assembly or PE sessions in the hall. Shift attention when required e.g., when given a clear prompt - 'name'.</p> <p>Respond: Make relevant comments when listening to a story and can answer 'why' questions. Link events in a story to their own experiences. <i>Ask questions to find out more and to check they understand what has been said to them.</i> Respond to others appropriately in play. <i>Engage in story times.</i> <i>Engage in non-fiction book.</i></p> <p>Understanding: <i>Follow instructions or a question with 2 parts in familiar situations.</i></p> <p>Speaking: Use intonation to make meaning clear to others. <i>Start a conversation with peers and familiar adults and continue it for many turns.</i> Use simple conjunctions in talk to link thoughts 'and' 'because'. Retell a simple event e.g., how scratched knee' Recognise words that rhyme or sound similar E.g., "Cat and hat". <i>Develop social phrases – "Good morning, how are you?"</i></p>	<p>Learn new vocabulary Use new vocabulary in different contexts. Use new vocabulary through the day in discussions and conversations. Learn new rhymes, poems, and songs. Listen to and talk about stories to build familiarity and understanding.</p>			
<p>Personal, Social and Emotional Development</p>	<p>Express feelings: Can show concern for others and show awareness of how their actions may impact on others. Talk with others to solve conflicts. Can identify how they are feeling on the zone of regulation board. <i>Beginning to express their feelings and consider the perspectives of others.</i></p> <p>Manage behaviour: Begin to take turns and share resources. Can usually tolerate delay when needs are not immediately met.</p> <p>Self-awareness: Can talk about what they are doing and why.</p> <p>Independence: Can independently choose areas they would like to play in or resources they would like to use. Can say when they help. With some support can get dressed and undressed for PE sessions. Can follow instructions with 2 parts.</p> <p>Collaboration: Begin to share and take turns.</p> <p>Social skills: <i>Continue to build constructive and respectful relationships.</i> Seek familiar adults and peers to engage in conversations and ask for help.</p> <p>Celebrating Difference Covering Identifying talents, Being Special, Families, Where we live, Making Friends, Standing up for yourself. Books used –</p>	<p>Continue to develop skills of using gestures, non-verbal communication, facial expressions, body language, appropriate language, and vocabulary; to listen to others, speak to peers and adults and engage in discussions in a positive way.</p> <p>Introduction of 3rd zone of regulation</p>  			

RE – F2 Which people are special and why?

Coverage - talk about people who are special to them, say what makes their family and friends special to them, identify some of the qualities of a good friend, recall and talk about stories of Jesus as a friend to others, recall a story about a special person in Sikhism and talk about what can be learnt from it.

Physical Development

Develop their small motor skills so that they can use a range of tools competently, safely, and confidently. Suggested tools: pencils for drawing and writing, paintbrushes, scissors, knives, forks, and spoon.

Develop the overall body strength, co-ordination, balance, and agility needed to engage successfully with future physical education sessions and other physical disciplines including dance, gymnastics, sport, and swimming.

Revise and refine the fundamental movement skills they have already acquired: rolling, crawling, walking, jumping, running, hopping, skipping, climbing.

PE Coach

Handball

Continue to develop overall body-strength, balance, co-ordination, and agility through use of outdoor play equipment.

Complete separate fine motor writing assessment.

Assessment		Pre-Phonemic Stage				
Pictures	Random Scribbling	Scribble writing	Symbols that represent letters	Random letters	Letter Strings	Letter groups
Picture tells a story to convey message	Starting point at any point of paper	Progression is from left to right	Mock letters or symbols	Letter strings move from L to R and move down the page	Separated by spaces to resemble different words	
Indicate initials below						
Aut 1						
Aut 2						
Spr1						
Spr2						
Sum 1						
Sum 2						

Specific Areas

Literacy

COMPREHENSION

Experience and respond to different types of books, e.g., story books, factual/real-world books, rhyming and non-rhyming stories, realistic and fantasy stories.

Respond to 'who', 'where' 'what' and 'when' questions linked to text and illustrations.

Make simple inferences to answer yes/no questions about characters' emotions in a familiar picture book read aloud to them, with prompts.

Sequence two events from a familiar story, using puppets, pictures from book or role-play.

WORD READING

Read individual letters by saying the sounds for them.

Blend sounds into words, so that they can read short words made up of known letter-sound correspondences.

Read a few common exception words matched to our phonic programme.

WRITING

Emergent writing:

Copies adult writing behaviour e.g., writing on a whiteboard, writing messages.

Makes marks and drawings using increasing control.

Know there is a sound/symbol relationship.

Use some recognisable letters and own symbols.

Re-read books to build up confidence in word reading, fluency, understanding and enjoyment. Read books consistent with their phonic knowledge.

	<p>Write letters and strings, sometimes in clusters like words.</p> <p>Composition: Orally compose a sentence and hold it in memory before attempting to write it.</p> <p>Spelling: Orally spell VC and CVC words by identifying the sounds. Write own name.</p> <p>Handwriting: Form letters from their name correctly. Recognise that after a word there is a space.</p> <p>Drawing Club and Talk for Writing Progression: Adults are dictated to by the child, the adult says each word as it is written, pointing out gaps and punctuation. Re-reading and scanning and checking writing. Child begins to write the initial sound of a word and the adult continues to write the other parts of the story.</p>														
<p>Phonics</p>	<p>Level 2 Know grapheme phoneme correspondence of 19 letters. Blend with known letters for reading VC and CVC words. Orally segment for VC and CVC words for spelling Know high-frequency common words (the, to, no, go).</p>	<p>Continue to develop general sound discrimination, rhythm and rhyme, alliteration, voice sounds, oral blending, and segmenting.</p>													
<p>Mathematics</p>	<div data-bbox="379 821 1484 1444" data-label="Image"> </div> <table border="1" data-bbox="379 1451 1641 1978"> <tr> <td data-bbox="379 1451 1012 1703"> <p>Coverage</p> <p>Representing 1,2,3</p> </td> <td data-bbox="1012 1451 1641 1703"> <p>Guidance (subject knowledge)</p> <p>Subitise or count to find how many and make own collections of 1,2, 3 objects. Match number names to numerals and quantities. Count up to 3 objects in diff arrangements by touching each object as they count. Recognise that the final number they say names the quantity in a set. Use own mark making to represent 1, 2 and 3.</p> </td> </tr> <tr> <td data-bbox="379 1703 1012 1797"> <p>Comparing 1,2,3</p> </td> <td data-bbox="1012 1703 1641 1797"> <p>Begin to understand as we count each number is one more than the number before. Similarly, as we count back, each number is one less than the previous number.</p> </td> </tr> <tr> <td data-bbox="379 1797 1012 1860"> <p>Composition of 1,2,3</p> </td> <td data-bbox="1012 1797 1641 1860"> <p>Intro idea all numbers are made up of smaller numbers. <p>Coverage</p> <p>Representing 1,2,3</p>	<p>Guidance (subject knowledge)</p> <p>Subitise or count to find how many and make own collections of 1,2, 3 objects. Match number names to numerals and quantities. Count up to 3 objects in diff arrangements by touching each object as they count. Recognise that the final number they say names the quantity in a set. Use own mark making to represent 1, 2 and 3.</p>														
<p>Comparing 1,2,3</p>	<p>Begin to understand as we count each number is one more than the number before. Similarly, as we count back, each number is one less than the previous number.</p>														
<p>Composition of 1,2,3</p>	<p>Intro idea all numbers are made up of smaller numbers. Explore and notice diff compositions of 2 and 4.</p>														
<p>Formation of 1,2,3</p>															
<p>Circles and triangles</p>	<p>Circles have one curved side, triangles have 3 straight sides. Recognise these shapes in everyday life. Show a variety of</p>														

diff sized circles and triangles in diff orientations and sides with diff lengths.

Spatial awareness: Positional language

Hear and begin to use positional language to describe how items are positioned in relation to other items.

Coverage

Guidance (Subject knowledge)

Representing 4, Comparing 4, Composition of 4, Formation of 4

Count on and back to 4. Subitise up to 4 objects. Match number name to numeral and quantity. Say which sets have more and fewer.

One more and less

Use a five frame to represent numbers and predict how many there will be if they add one more or take one away. Understand the link between counting forwards and the one more pattern, then counting back and the one less pattern. Support with books and number rhymes e.g., 5 speckled frogs, 5 current buns, 5 little ducks.

Shapes with 4 sides

Squares (classes as special rectangles with 4 equal sides) and rectangles have 4 straight sides and 4 corners. Recognise these shapes in everyday life. Show these shapes in a variety of diff sizes and orientations.

Time: Night and Day

Talk about night and day and order key events in daily routines. Use language to describe when events happen e.g., day, night, morning, afternoon, before, after, today, tomorrow. Begin to measure time in simple ways e.g., counting number of sleeps, timers to measure durations.

Understanding the World

Chronology:

Use the language of time when talking about past/present events in their own lives and in the lives of others including people they have learnt about through books.

Enquiry:

Find out about key historical events and why and how we celebrate today? Remembrance Day, Christmas Day, Diwali. Ask questions, use different sources to find answers including books. Comment on images of familiar situations in the past.

Continue to develop a sense of continuity and change by being able to compare characters from stories.

Respect:

Recognise that people have different beliefs and celebrate special times in different ways. Recognise some similarities and differences between life in this country and life in other countries.

- Look closely at and make comparisons between this country and the lives of people in other countries within the world (homes around the world)

Mapping:

Scientific skills –

Comment on what they notice about the environment where they live and understand the effect of the changing seasons on the natural world around them. Describe what they see, hear, and feel outside. Explore the natural world around them, making observations and drawing pictures of animals and plants.

	Use technology e.g., a BeeBot and begin to show spatial awareness. Use positional language i.e., under, beside, on top of etc.				
Expressive Arts and Design	Develop storylines in their pretend play. Artist Study: Kusama, Mondrian, Kandinsky  Sing in a group or on their own, increasingly matching the pitch and following the melody.	Explore, use, and refine a variety of artistic effects to express their ideas and feelings. Explore and engage in music making and dance, performing solo or in groups.
