

## Reading comprehension homework

English homework will begin on Friday 11<sup>th</sup> November. The homework is due for return on the following Wednesday, 16<sup>th</sup> November. This pattern will continue each week.

The homework is in the form of a short reading comprehension with four questions looking at different comprehension skills. Please feel free to support your child with this work. The answers have been supplied (behind the homework). This is to give you the opportunity to go over the questions once they have completed it. Families have found this useful in previous years. However, this is not obligatory.

The children can then RAG their work. Further information about RAG is on the Autumn 2 newsletter but the children are familiar with this. They know if they are amber or red to write a note explaining what they found tricky. Homework will also be checked at school. Please feel free to add a note to the homework if your child had difficulty with any of the questions – some of them will be challenging!

Thank you for your support.
