

Leader[s]: [Sarah Holmes](#)

Governor[s]:

Our priorities are: Implementing a new curriculum - Kapow	Actions planned	Who?	Time / Money	When?
Begin to implement the computing curriculum – Kapow.	Provide Kapow log ins for all staff	PS to supply logins	Email	Autumn Term
	To purchase new software	PS to purchase Kapow	£cost TBC	Autumn Term
	Receive feedback from staff on whether staff feel they have appropriate skills and confidence to be able to teach using Kapow	SH to ask all staff	Email/Staff meeting	Summer Term
	Receive feedback from staff about the effectiveness of the technology they have available for delivering the Computing curriculum.	SH to ask all staff	10 minutes of staff meeting/emails	Summer Term
Creating a robust and thorough curriculum document outlining the LTP, skills progression, knowledge progression, and National Curriculum coverage	Consider the above objectives to create a skills progression document that is appropriate to the children at Little Eaton Primary School.	SH to share with PS/KG SH to finalise and share with staff	½ day prep Staff Meeting	Begin Spring Term
	Consider the above objectives to create a knowledge progression document that is appropriate to the children at Little Eaton Primary School	SH to share with PS/KG SH to finalise and share with staff	½ day prep Staff Meeting	Begin Spring Term
	Provide an overview of the school’s curriculum through Kapow	SH to share with PS/KG SH to finalise and share with staff	½ day prep Staff Meeting	Begin Spring Term
Intended outcomes	Monitoring arrangements			

- Staff to have confidence in their teaching and delivery of the Kapow! curriculum
- Staff to be teaching the appropriate year group's units to that year group
- SH to have a full understanding of the Computing curriculum and see the next steps for the leadership next academic year (2025-2026)

- Staff feedback
- Pupil feedback
