The week's activities

Monday-

We are very lucky to welcome football freestyler, Steve Gray to our school. While in school, he will deliver a whole school assembly and a workshop for each class. (A huge thanks to the PTA for organising and funding this).

Tuesday:

As a whole school, we will be taking to the streets for our Village walk. In the afternoon, RS Coaching are in school. They will be working with the year 5 and 6's to test their skills at the oche. Will we find the next Luke Littler? Year 3 and 4 will be working with RS Coaching to test their skill with a bow and arrow.

Wednesday:

RS Coaching are back in school to support our Inter-school dodgeball tournament. Children will have the chance to earn points for their coloured team.

Thursday:

We have our sports day in the morning at the park, aiming to start at 9.30. We welcome all parents to come over to the park and cheer us all on. The PTA will have a refreshments stall with drinks and pastries. Children to wear team colours. Parents, get your running shoes on ready for the parents' race!

In the afternoon, RS Coaching will be setting up team building activities for the children to take part in, which may include water! During the afternoon, the children will be in their coloured teams. This is great as we have all different year groups in one room.

Friday: Olympic Day! During the morning, we will be in our coloured teams lead by our team captains. Children will work their way around school completing the different events. Some of these events include; archery, curling and table tennis. Throughout the morning, children can earn extra points for their team.

The afternoon will consist of our awards assembly. Which team will take the trophy this year?

⚡ Lightning Strike Gold at Duffield Dynamos Tournament ⚡

On Saturday, Little Eaton Diamonds Lightning U7s proudly represented the club at the Duffield Dynamos Football Tournament—and what a fantastic performance it was!

George, William, Zaheer, Max and Lochlan were part of an 8-player squad that showed outstanding teamwork, determination and spirit throughout the day. The team played brilliantly, winning 4 out of their 5 matches in style.

Their hard work paid off as they progressed to the shield final, where they delivered a superb performance to secure the win and bring home the trophy.

A brilliant achievement for a talented group of young players—well done, Lightning! ⚡ 🏆

Have Your Child's Say in *The Big Future*

We'd love to encourage all our pupils to take part in The Big Future, a national survey led by the Children's Commissioner for England.

This is a fantastic opportunity for children and young people to share their views, experiences and hopes for the future. Their voices will help shape decisions and policies that affect young people across the country.

It's really important that as many of our pupils as possible take part. Every response helps ensure that our community is represented.

👉 Take part here:

<https://www.childrenscommissioner.gov.uk/the-big-future/>

The survey is quick and simple to complete, and by taking part, children can make sure their voices are heard at the highest levels of government.

Thank you for supporting your child to be part of this important national project and helping their voice make a difference.

Attendance Matters

We are delighted to share that our current school attendance stands at an impressive **97.3%**, placing us in the **top 10% of schools nationally**—a fantastic achievement for our whole community. Thank you to families for supporting such strong attendance.

Every day in school really does count. As the graphic shows, attendance below 90% can have a significant impact on academic progress, while maintaining attendance above 96% supports excellent outcomes for learning, friendships, and wellbeing.

While we are rightly proud of our current figures, we know there is still room to improve. By continuing to prioritise regular attendance and minimising time away from school wherever possible, we can give every child the very best chance to succeed.

Thank you for your ongoing support in helping us keep attendance high and improving even further.
